

# Commercial & Industrial Case Studies

## Businesses are SAVING!

### Large Recreational Vehicle Manufacturer

**Project Details:** This customer completed 70+ projects over a 5-year period in the NIPSCO Prescriptive, Custom, and New Construction programs focused on installing LED lighting and efficient HVAC systems.

**Savings: 5.7M kWh**

**Incentive: \$462,000**

**Combined Project Payback: 2.43 years**

**Combined Project Payback w/incentive: 1.66 years\***

### Local Bottling Plant

**Project Details:** This customer participated in the NIPSCO Custom program and completed a combination of compressed air and process projects that helped lead them to significant savings.

**Savings: 1.3M kWh**

**Incentive: \$131,000**

**Project Payback: 1.36 years**

**Project Payback w/incentive: .40 years\***

### Stationary Product Manufacturer

**Project Details:** This customer participated in the NIPSCO Custom program and upgraded their compressed air and vacuum systems to help achieve energy savings while improving operations.

**Savings: 1.9M kWh**

**Incentive: \$195,000**

**Project Payback: 2.64 years**

**Project Payback w/incentive: 1.64 years\***

*"The Incentives have not only shortened the payback on the projects, but also encouraged us to identify opportunities for more savings."*

*– NIPSCO Commercial Customer*

\*Actual payback period and savings will vary.

## NIPSCO Business Energy Efficiency Programs

Saving energy can help you save money and reduce energy waste. The savings could lower your bill, and your upgrades can lessen your operational downtime. NIPSCO offers programs for businesses of all sizes. Contact us at **1-800-299-2501** to find out how you can start your project.

*These benefits are only available to customers paying the Energy Efficiency Rider 883: DSM Rate Adjustment Factor.*
